My Dear Friends,

I wish you all a very happy new year. May all the things that matter most be yours in great store.

I am glad to tell you that the Bishop will hold a Confirmation in our church on March 25th. I hope I may have the privilege of preparing a large number of candidates. Confirmation is described in the Prayer Book as "the laying on of hands upon those that are baptised and come to years of discretion." I do not like to press confirmation on any, but I do very much welcome all opportunities to speak about it to those who approach me either on their own behalf or on behalf of others. After evensong on Sunday, January 12th, I should be glad to see all who wish to be confirmed so that we may talk over the times for the preparation classes.

On Sunday, November 24th, we remembered before God a former vicar of this Parish of whose passing on we had just heard. Robert Colquhoun Faithfull was inducted to this living on St. Peter's Day, 1888, by Bishop Mitchinson, Archdeacon of Leicester, and he held the living till May, 1892. Of recent years he endured much physical suffering and at the time of his death, which took place at a nursing home in Bournemouth on November 18th, he had been bereaved of all who were nearest to him. His ministry here is now far distant and was brief in duration, but there are amongst us those who have happy memories of it and him. May he rest in peace.

You have all, I believe, received a full statement as to the purposes of the Bishop's Fund with a red slip attached to it setting forth what we propose to do in this parish towards it. Some welcome contributions have already been received and from time to time a statement as to these will be published. We have now a full five years in which to raise our £250 and I hope and believe that if we set our minds to it we shall have no difficulty in achieving our purpose. Please fill in and return the perforated slip to one of the names indicated. "Freely ye have received, freely give."

Your faithful friend and servant,

H. H. RUMSEY.

Dedication of the Church Room.—On St. Thomas' Day, December 21st, the new Church Room was dedicated by the Venerable W. P. Hurrell, Archdeacon of Loughborough. Evensong was sung in Church at 3-0 and after the lesson the congregation, led by the cross and choir, proceeded to the Church Room, singing hymn 215. The morning had broken wild and stormy, but at the time of the service the wind had fallen and there was quite a good sunshine for the time of the year. Inside the Room hymn 189 was sung and after the offering of prayer by the Vicar, the Archdeacon dedicated the building with the words, "In the faith of Jesus Christ we dedicate this building to the glory of God in the Name of the Father and of the Son, and of the Holy Ghost, Amen." After the singing of hymn 261, we returned to Church for the conclusion of Evensong. The address of the Archdeacon before the closing hymn and blessing, struck a very helpful and practical note. He spoke of the part which a Church Room should play in the family life of the Church and emphasised in particular its value for recreation and education. Tea was ready when the service was over and once again the congregation adjourned to the Room and sat down, a party of 86. The Vicar, during tea, thanked the Archdeacon for his friendly and helpful visit. He expressed the thanks of all to those who had any part in the building of so splendid a Room and the hope that it would be of great usefulness in the future. He also referred to an old friend, Ernest Clarendon Laundon, whose zeal for the cause had been mainly responsible for the forward push in the year 1922, without which the work would be still far from accomplished. Later in the evening, from 7-0 to 10-30, a social gathering took place and by the time the day was over we felt that the room had been thoroughly warmed and was admirably adapted for its purpose. And so to bed, tired and thankful.

Church Room Furnishing, etc.—We asked for 120 chairs. These were ordered in faith and were in the room at the opening. Actually promises of 129 have been received; our best thanks to all the donors. On the building itself there is no debt, which is a great cause.

ST. BARTHOLOMEW'S CHURCH, QUORN.—Continued.

of thankfulness. There are, however, other things to be done to make the surroundings of the room worthy of it and the neighbourhood. The Committee have two events in view which we hope will be remembered. There will be rummage sale in the room on Friday, January 24th and a social and dance on Shrove Tuesday, March 4th.

Asphalting of the School Playground.—We are able to go forward to the tune of £30 during the holidays. For this the managers are indebted to Mr. J. Martin for the proceeds of his entertainment on November 27th which amounted to £11 and to the Mothers' Union for £20, the proceeds of their sale on December 10th. To those who were responsible for both these undertakings we wish to express our great thanks. There will remain much to be done before the work is completed, but there is at least a prospect that the County Education Authority will help us with it before long. Here let us remember that there is only one argument for our voluntary expenditure on our schools, namely, that we value and wish to maintain their definitely religious character.

Church Council Notes of meeting held on December 19th.—i. The parish representative on the Diocesan Conference reported on the recent meeting. ii. Bishop's Fund, progress reported. iii. Electoral Roll, revised district lists handed in. iv. Annual Meeting, date fixed February 6th.

My Dear Friends,

You will see in the notes below that our Annual Vestry and Parochial Church Meeting are to be held at 7-0 in the Church Room on Thursday, February 6th. The faithfulness and efficiency of our church work in the coming year depend very largely upon this meeting. All of you who are on the electoral roll should receive a notice and I beg you to be present. The election of a new people's warden will, I fear, be necessary, and of course the Parochial Church Council and sidesmen for the year will have to be elected. All of this requires thought beforehand on your behalf for nominations to any office should only be made where consent has already been given.

I have now 19 candidates under preparation for the confirmation in our church on March 25th. I ask you to find a place in your prayers for them and for the work of preparation.

Your faithful friend and servant,
H. H. RUMSEY.

Church Room.—At a meeting of the Committee, held on January 20th, the important office of Church Room Secretary was offered to and accepted by Mr. C. Joiner. We welcome him to this office most gladly. Applications for lettings should be made to him. The temporary appointment of Mrs. Waling (4, Post Office Yard), as caretaker has also been made and she is proving most helpful and efficient.

A Whist Drive towards the further funds needed is being organised by Mr. F. Halford, Mrs. Penfold and Miss Bradley for February 13th, and a Social and Dance for Shrove Tuesday is in the hands of Mr. T. Pilkington, Miss Firr and Miss Flanders. Meanwhile the G.F.S. candidates and members have thoroughly established themselves in the Room as their headquarters and the room is gradually finding its use in our ordinary parochial life.

Some notes of the past month.

The programme of Christmas music given by the choir on the afternoon of the Sunday after Christmas appears to have been very much enjoyed. Mr. Murray Rumsey's "Comfort ye" and "Every Valley" gave him his opportunity and was finely sung. In "Nazareth" Mr. C.

Joiner revived an old favourite and he rendered it well and faithfully. At the organ Miss Callis was dependable and true, as she always is, and the choir were well on the spot in their choruses. Two new descants were introduced in "O Come all ye Faithful" and "See amid the Winter Snow."

The Christmas party for the Sunday School children was held in the Church Room on the Saturday after Christmas. We were in some doubt as to the room's capacity for the party. We have always anticipated that for our largest gatherings the Village Hall would be in request. We were certainly all very near together, but there is something to be said for that, and it was undoubtedly a very happy party. The children did most of their own entertaining, short recitations were fired off one after another in a most amusing manner. Many thanks to the superintendents and teachers and to Mrs. J. Martin for her supervision of the tea.

The adult party was held in the Village Hall on Monday, the 30th. It was voted to be one of the happiest of these Christmas gatherings of recent years. It certainly is arranged year by year in a manner which helps sociability and draws together people of all ages. The main responsibility of getting up the party was kindly accepted by Mr. and Mrs. E. B. Fewkes and the Mothers' Union once again earned our gratitude by both providing and serving the refreshments. All the items of the variety entertainment were much enjoyed and no one will mind if we make special mention of Le Butt's violin solos (surely he will do well) and Peter Prookman's lightning sketches, a welcome novelty. Proceeds to the Schools Funds, £29.

During the holidays 239 square yards of tarmacite was laid in the school playground, the portion already laid in the girls' playground being extended to just beyond the infants' door, the boys' playground receiving the rest. The surface has yet to be sealed, which will be done at the proper time. There is still as much again of the playground to be covered and made serviceable.

The Sunday School prizegiving service took place in Church on Sunday, January 19th, at 2-30. Our aim at present is to make these

ST. BARTHOLOMEW'S CHURCH, QUORN.—Continued.

services a little more like those acts of worship which the children should be growing up to take their part in than a mere display of carol singing. The children are becoming quite familiar with Merbecke's responses and the singing of psalms and magnificat without the lead of a choir is quite creditably done. We welcomed the Rev. G. E. Alvis, who came in the middle of a busy Sunday and spoke a few helpful words to the children on the boyhood of Jesus.

Always on the first Sunday in the month at 2-30 we hold a general children's service. May we say how much we should welcome the attendance of parents with their children, also of any children who do not belong to our Sunday Schools.

On Sunday, the 19th, we offered prayer at every service for the blessing of God upon the labours of the conference about to assemble in London to consider the reduction of naval armaments. This is another of those great post war international efforts to strengthen and establish the foundations of peace and goodwill. May the delegates be given in full measure the guidance of the Holy Spirit.

The name of Dr. Nansen is one of the greatest of our generation. Known well to us in days gone by as scientist and explorer he is now devoting his later years, as High Commissioner for Refugees to the League of Nations, to the relief of suffering with utter impartiality wherever it is found. His life's story was brought before us at a recent meeting of the League of Nations Union by Mrs. Alun Jones. For such men we should thank God.

My Dear Friends,

I have made some rather unusual arrangements for special preachers during Lent. I hope that they will help us to "Grow in grace and in the knowledge of the Lord," which I take to be the purpose of the Lenten season. Will you try to be present both on the Sundays and on the Tuesday evenings?

The past month will be remembered for the fact that on three Sundays our services, with the exception of Holy Communion, were held in the Church Room owing to the failure of the boiler. Personally I enjoyed the experience. The room, with a little furnishing, made an excellent mission church, and it was delightful to have everybody well congregated together. It made me wish, not for the first time, that people would fill the nave of the church before they spread out into the north aisle and even far away into the north west. However, it is possible that that will be the result of the change. But it was nice to be back in church last Sunday.

Our annual meetings have once again taken place and posts have been filled as recorded in the heading to this page. The new council has already had one fully attended meeting. Its membership is equally divided between the sexes, the chairman turning the balance in favour of man. It is some five years since you have had to find a new warden, Mr. C. Adams having been your chosen representative during that time. He has carried out the duties most assiduously and well deserved the thanks accorded to him at the meeting.

I am sure that there will be many present at the confirmation on March 25th, at 8-0 to encourage the candidates by their presence and their prayers.

Your faithful friend and servant,

H. H. RUMSEY.

Lent.—The special week night services after the first week will be on Tuesdays. On the four Tuesdays, March 11th, 18th, April 1st and 8th, there will be evensong at 7-30, with an address by the Rev. E. G. Burland, Vicar of Christ Church, Mountsorrel. His subjects will be, The Communion of Saints, The Forgiveness of Sins, The Resurrection of the Body, The Life Everlasting. Tuesday, March 25th, will be the day of the confirmation.

On the Sundays in Lent the preachers will be as follows:—

First Sunday, March 9th:

11-0, The Vicar; 6-30, Rev. H. B. Hanford.

Second Sunday, March 16th:

11-0, Rev. A. J. Ison; 6-30, Rev. H. D. Hanford.

Third Sunday, March 23rd:

11-0, The Vicar; 6-30, The Vicar.

Fourth Sunday, March 30th:

11-0, Rev. A. J. Ison;

6-30, Rev. J. R. Quarterman.

Fifth Sunday, April 6th:

11-0, The Vicar; 6-30, Rev. J. R. Quarterman.

Sixth Sunday, April 13th:

11-0, Rev. A. J. Ison; 6-30, The Vicar.

On Wednesday afternoons at 5-30 there will be a short children's service. This will be specially appropriate for the G.F.S. candidates, who can go on to their meeting in the Church Room at 6-0. I hope they will try to come. Please ask for a Lent savings box for the "Waifs and Strays" on the Sunday before Lent.

Annual Vestry and Parochial Church Meeting.

—This was held in the Church Room on Thursday, February 6th, at 7-0. The number present was 56. The Vicar nominated Mr. E. B. Fewkes as his warden for the ensuing year. Colonel Toller was elected people's warden. The late people's warden, Mr. C. Adams, was absent through illness and a very hearty vote of thanks to him for his faithful and conscientious services for the last five years was passed. Mr. Fewkes presented the treasurers' statement of accounts for 1929. These will be found on another page. They were passed with a vote of thanks to Mr. T. Shenton, the auditor. There followed the election of Ruri-Decanal and Diocesan representatives and other members of the church council, and sidesmen. The names of those elected are printed above. Two other matters were dealt with. i. **THE BISHOP'S FUND.** Our effort to raise £250 during 1930-35 was strongly commended and Mr. H. J. Hicks was elected treasurer of the fund. Donations and promises up to date amounted to £63. ii. **THE BOILER.**—The old boiler had completely failed, and as a consequence Sunday services, excepting the Holy Communion, had been held in the Church Room for three Sundays. Estimates for a new boiler were presented and the meeting

ST. BARTHOLOMEW'S CHURCH, QUORN.—Continued.

accepted that of Messenger and Co. for a "Quorn" boiler at a cost of £40 12s. 6d. and decided to open a subscription list at once. It was reckoned that the work of installation, including cost of boiler, would amount to between £50 and £60. The meeting then closed.

Boiler Fund.—This is referred to immediately above. The boiler is now installed and working well. The subscription list is in the church porch, with a pencil attached. Already £35 has been given, which is a most encouraging start. Probably there are many small sums waiting to be offered. If that is so it would be a great help if they were put down as soon as possible.

Parochial Church Council.—First meeting on February 19th, all present. (1) Elections: Secretary, Miss Firr; vice-chairman, Mr. G. Horspool; treasurers, the Churchwardens; Freewill offering secretary, Mr. J. Martin; Quota auxiliary secretary, Miss Butler; churchyard sub-committee, the standing committee with Miss Butler and Mr W. G. Hull. (2) Electoral roll districts allocated. (3) Report of Ruridecanal conference presented by Mr. G. Horspool. (4) Report of conference with U.D.C. re Churchyard Extension, presented by the Vicar. Further action to await receipt of communication from Charity Commissioners.

Church Room.—Please note, Social, Concert and Dance on Shrove Tuesday, March 4th. Admission 1/3, including refreshments. Congratulations to the committee that ran the whist drive and dance on February 13th and purchased 30 tables with the proceeds.

A Children's Lantern Lecture On the "Sugar Islands" will be given by the Rev. A. N. Crane in the Church Room on Monday, March 17th, at 7 o'clock. All children invited. Admission free, collection.

Mothers' Union.—(1) Friday, March 21st, meeting in Church Room at 3-0. Annual report. Short Address by Mrs. Toller. M.U. Literature Stall. (2) Tuesday, March 25th, Corporate Communion, 9-15.

G.F.S.—Both members and candidates have entered for the Diocesan Competitions and are busy with their preparations. A successful whist drive and dance was held in the Church Room on February 1st.

Archibald Alfred Bishop passed away at Coalville on Tuesday, January 27th, and his body was laid to rest in our churchyard on the following Saturday. The choir attended the funeral as a mark of affection for one who had sung with them both as boy and man during the past twenty years. He was very much one of us even after he had left the village, and there were many deeply felt expressions of sympathy with his widow and family, who wish to thank their many friends for their very helpful sympathy.

My dear Friends,

Once again we are within near reach of Holy Week and Easter. They will probably awaken many memories of the past. Perhaps there was a time when we were more deeply moved by the solemnity of the Passiontide and the triumph of the Resurrection. If that is so let us pray that we may recover again the old feelings. On the other hand, it may be that the retrospect will show us how as year succeeds year we are learning better how to use these days aright. If that is so it is cause for thankfulness. To examine our lives and confess our sins in Holy Week is far better than merely to feel the season to be a solemn one. To offer ourselves anew to God at the altar on Easter morning with the opening words of the Easter epistle ringing in our ears is better than all the emotion stirred by the singing of Easter hymns, delightful as that is.

The Holy Week services are written down below. Come to some of them, or use the open church for private prayer, or reading, or quiet thought. If you do not feel prepared to receive communion on the days of Holy Week you could be present at the early celebration none the less. It would help to prepare you for your Easter Communion. If you want a Bible passage for the day for private reading, the gospel for the day will be found in your Prayer Book. If you want to make a step forward during the week your own familiar besetting sin, or one of them, will give you the cue.

And so a happy Easter to you all, reaching forth unto those things which are before.

Your faithful friend and servant

H. H. RUMSEY.

Holy Week and Easter.

MONDAY, TUESDAY AND WEDNESDAY.—Holy Communion at 7-0, and the usual daily offices.

MAUNDY THURSDAY.—Holy Communion at 8-0. Service of preparation for Easter Communion 7-30 p.m.

GOOD FRIDAY.—Mattins and Ante Communion, 7-0; Mixed service for children and adults, 9-30; Three hours devotion 12-0—3-0 conducted by the Rev. T. R. J. Avery, Vicar of Syston; Evensong, and the Story of the Cross, 7-30.

EASTER EVE.—Mattins and Ante Communion, 10-0; Evensong, 6-30.

EASTER DAY.—Holy Communion, 6-30, 7-30, 9-30 (Choral) and 12-0; Morning Prayer, 11-0; Children, 2-30; Evensong and Procession, 6-30. (Special intercessions and offerings: Holy Week, Missions to Jews; Good Friday, St. Mary's Home.)

Confirmation.—This was in our Church on March 25th at 8-0. The Bishop laid his hands upon 24 candidates from Barrow and Quorn, 12 of each sex. The greater part of the nave was reserved for the friends of those confirmed. The Church was not quite so full as it usually is at a confirmation. The hymns sung were 156, 230, 540. Contrary to previous custom, a collection was made. This was for the Diocesan Missionary Fund. The Bishop gave for his confirmation motto the words, "Henceforth unto Him."

G.F.S.—A very delightful open meeting for members and friends was held on February 26th, in the Church Room. The chief event of the evening was the presentation of long membership certificates. This was made by Mrs. Keith Thomson, who was very cordially welcomed by the girls and thanked by the Vicar in their name. Displays of country dancing were given and some excellent illustrations of bandage-making by the girls attending the Nursing classes.

Socials.—Two enjoyable evenings were spent in the Church Room just before Lent. On February 25th the Mothers' Union and a few husbands met for a variety entertainment, followed by refreshments and on Shore Tuesday a concert and dance was organised by the Church Room Committee.

Infants' Day School.—The Headmistress will be glad if those parents who wish to have children newly admitted to the school after Easter will see her about it before this term is over. It will only be possible to admit a very few "under fives."

New Boiler Fund.—£42 10s. has been entered on the list in the church porch, and now the boiler is working merrily and the fund is taking

My dear Friends,

This question of Churchyard Extension is exercising all our minds acutely. There is room for, and there exists, great divergence of opinion amongst us. There are those who feel very strongly that we should not commit ourselves to the annual cost of upkeep for at least the next 20 years, which the extension would involve. There are those also who are equally convinced that, having this acre of land at our disposal for burial, we should enclose it and continue to bury around the church. The Church Council of 1928, you will remember, was unanimously opposed to the extension, and its opposition was supported by a majority of a general meeting of Church-people. The present Council has, by a majority, re-affirmed its opposition, but, as you know, has expressed its willingness that another Parochial Church Meeting should be called to ascertain whether it has the general support of Church-people. This meeting will be announced in due course, and all who are on the Electoral Roll will be summoned to it. I do most earnestly pray, and I ask you to pray too, that we may be guided aright, and that we may ultimately do what will be good both for the church and the village.

May I express the hope that you will all unite in observing Ascension Day once again as a Day of Prayer and Gifts for Missions Overseas. Will you help to make it a day of prayer, either by being present at one or other of the services or by putting your name down on the chart which will be in the porch for a period of private prayer? And will you help to swell the day's offerings by bringing with you the envelope which you will shortly receive with an offering in it worthy of the greatest of all causes, namely, the growth of God's Kingdom unto the uttermost parts of the earth?

We have had a very happy Easter, and I thank you all once again for a substantial Easter offering.

Your faithful friend and servant,

H. H. RUMSEY.

Ascension Day, Thursday, May 22, the Day of our Lord's Ascension into Heaven, and observed by us as a day of Prayer and Gifts for Missions Overseas.—Holy Communion, 7-0 and 8-0; Mat-

tins, 10-0; Litany, 12-0; Mothers' Union, 3-0; Children, 5-0; Choral Evensong, 7-30. See letter above.

Diocesan Missionary Festival in Loughborough, May 22.—The Vicar is secretary for this Festival, and Quorn is one of the nearest villages to Loughborough, so he is hoping that we shall go in good strength to the various meetings. Please look on the front page for all particulars.

Empire Day, Saturday, May 24.—Prayer will be offered for our friends and relatives living overseas at the Holy Communion at 7-0 and at the usual daily offices. A list of names will be placed in the porch, for which the Vicar will be glad to receive corrections and additions.

Special Lent Offerings.—We are very glad to have been able to help the following causes during Lent: Waifs and Strays, £2 13s. 2d.; Police Court Mission, £4 10s. 5d.; Missions to Jews, £1; S. Mary's Home, £3 1s. 3d.

Wants.—There are two particular Wants at the moment: (i.) To complete the asphaltting of the school playground, £60. The Managers and Teachers are most anxious to see this done. (ii.) Before the Church Room can be said to be finished, we must lay with gravel the plot of ground in front of the Room, and re-place the present old wooden fence and temporary gate with an iron fence and gateway. The former will cost about £20 and the latter about £50.

New Boiler Fund.—With practically no personal solicitings, the donations promised or given amount to £44 16s. The total cost is £50.

Belfry.—Many young ringers are making good progress. The peal of bells was heard no less than four times on Easter Day.

May 29th is Ascension Day. There will be
 Holy Communion at 7 a.m. and 10-30 a.m.;
 Evensong and Sermon at 7 p.m.

The total amount of the offerings for St.

The Vestry meeting and Parochial Church
 meeting were held on April 28th. There were
 eleven present! The churchwardens, Messrs.
 C. Arnson and E. Tebbutt were re-elected.
 Messrs. J. L. Hogg and E. Tebbutt were again
 chosen as Lay Representatives to the R.D. Con-
 ference. The sidesmen were appointed the
 same as last year with the addition of Mr.
 D. Tebbutt in place of Mr. Baker. The
 Parochial Church Council was elected as last
 year with the exception of one vacancy which
 will be filled by co-option. In presenting the
 accounts, Mr. Arnson drew attention to the
 very serious falling off in the ordinary Sunday
 collections for Church Expenses. It is evident
 that some of the members of the church do
 not quite recognise their responsibility for the
 maintenance of their Parish Church. If for
 any reason they are absent on a Sunday, there
 is the loss of their contribution to the

expenses, unless they make up the deficiency
 afterwards. If all would consider carefully
 what the church is to them, and how much
 they ought to give weekly for its maintenance,
 whether they are present or not, the whole
 question of the expenses of the church would
 be easily solved. The burden ought not to fall
 only on those who come and give regularly.

My dear Friends,—

I think my notes below will serve as a general comment on affairs. You will see certain important matters referred to in the Church Council minutes. Especially I ask you to note the day and time of the Parochial Church Meeting for the further consideration of the Churchyard Extension question. I hope that the meeting will be well attended and that we shall all bring to bear upon the discussion the very best of our judgment. The Bishop's Fund, you will see, is rather slow in getting its grip upon us, and it may be that we shall have to take other steps to commend the rightness and urgency of its appeal.

I hope that Whitsuntide, the Festival of the Holy Spirit will be faithfully observed by us. "He shall lead you into all truth," was the promise of Jesus concerning the Holy Spirit, so we who wish to be led thither know to Whom to turn. The early Christians, I think, laid great stress upon this. They seem, if we understand the 'Acts' aright, to have been moved this way and that by the Holy Spirit. Perhaps S. Paul sums up the earliest idea of what a Christian is, when he said "As many as are led by the Spirit of God, they are the Sons of God." If that is so, we can test the reality of our own religion. At least we may be thankful that we have the root of the matter in us if we are looking for, and following, the promptings of the Holy Spirit. This Whitsuntide thought I offer you.

Your faithful friend and servant,

H. H. RUMSEY.

Notes on Church Council Meeting, on May 8th, at 7.15 p.m. (i) Resolved that the Parochial Church Meeting, re Churchyard Extension, previously agreed upon, be held on Thursday, June 26th at 7.30 p.m. in the Church Room. (ii) Collections fixed, for Whit Sunday, S.P.G., June 29, Fabric Fund; July 20, (Sunday School Festival), the Sunday School Fund. (iii) Accounts to date. The People's Warden gave a summary. (vi) Next Meeting, June 19th, at 7.15 p.m.

G.F.S.—Our candidates did splendidly in the recent Diocesan Competitions held in Leicester. The results shewn below are most encouraging. We are very grateful indeed to those G.F.S. members who came to help at the Candidates Meetings, and our thanks are due at the present to the Misses Ethel and May Flanders, Edna and Olive Towell, and Ivy Chamberlain. Without this help, it would be impossible to enter for things like competitions, or to give the Children the happy times they now have.

Some of the music will also be used for our own Whitsuntide Festival.
