

QUORNDON
CORONATION CELEBRATIONS

MINUTE BOOK.

July 20th 1936.

A PUBLIC MEETING to discuss and formulate plans for Celebrating the forthcoming Coronation of H.M. King Edward VIII was held in the Village Hall on Monday July 20th 1936.

The Chairman of the Council, Mr. T.C. Dexter presided and gave a short statement as to the purpose of the meeting and the business to be transacted.

The following suggestions were made as to the form the Celebrations should take on Coronation Day :-

Procession and fancy dress parade.

Sports.

Teas for old people and children.

Mugs or medals (bearing suitable inscription) for children.

Firework display.

Balloons.

United service in the Parish Church in the morning.

It was later suggested that tea should be provided for all people.

It was also decided that if possible some suitable permanent commemoration of the occasion should be made. The following suggestions were then made as to the form this should take :-

Annual parade,

Improvement of Stafford Orchard.

Crockery for Village Hall.

Paddling Pool for children.

Garden of Rest.

A GENERAL COMMITTEE was then formed consisting of the following :- The whole of the Council, Mesdames A. Fewkes, J.A. Gollington, S.J. Lucas, A. Gamble, C.E. Waddington, L. Bumpus, S.E. Dexter, J. Kidger, B. Moore, Canon H.H. Rumsey, Rev. E.E. Attwood, Capt. Philip. Messrs. T.M. Shenton, T.A. Jones, G.K. Thompson, F. Facer, D. Stirling, J.L. Boyer, H.D. Jones. Decided that the Committee at its first meeting should invite other organisations in the village to send representatives to assist in the work.

Mr. T.M. Shenton was elected Treasurer.

Mr. H. Northage was elected Secretary. At this stage it was pointed out that it would be impossible for Mr. Northage to give as much time as he would like to this work, owing to other duties and the fact that he did not live in Quorn. It was proposed therefore that Mr. Jacques be invited to assist him.

After discussing the amount raised and the cost of the Jubilee Celebrations in 1935, the meeting decided to aim at raising £250 for the whole Celebrations.

It was suggested that money could be saved by using the three halls in the Village, instead of hiring marquees.

Decided to invite Tenders from the following Bands :-
Desford School, Mountsorrel, Barrow-on-Soar, Thornton, Sileby Town and Sileby Imperial.

29th July 1936.

A GENERAL COMMITTEE meeting was held in the Hall on July 29th.

Mr.T.C.Dexter took the Chair protem.

Canon H.H.Rumsey was unanimously elected to the Chair. He thanked those present for their confidence and said that he would endeavour to work well with all.

After discussion re co-opting additional people to the Committee, it was decided that all organisations in the village should be asked to supply two representatives.

A letter was read from Mr.W.Jacques, who declined to act as Joint Secretary. Mr.T.C.Dexter was unanimously elected to fill the position.

BAND FOR CORONATION DAY: It was reported that only two Bands had replied to the invitations to Tender for playing on Coronation Day. Both replies were negative, Mountsorrel being already engaged and Desford School disbanded. Decided that when replies were received from the others, the Chairman and Secretaries be empowered to choose one.

In discussing suggestions made by the Public Meeting Capt.Philip said that in his opinion two Sub-Committees should be formed - one for dealing with suggestions for the day and the other to explore ways and means of obtaining the necessary Finance. Decided to place the elections of Sub-Committees on the next Agenda. The date of the next meeting was fixed for Sept.17th at 7-30 p.m., and the representatives of the various organisations to be asked to attend this meeting.

A letter was read from Rev.E.E.Attwood, putting forward the opinion that each Church should cater for its own people in its own building. Mr.D.Stirling suggested that Teachers should be responsible for the children under them. Finally the whole question was deferred until the next full meeting.

Discussing the suggestion that an Annual Parade should be held to commemorate the occasion, Mr.Dexter suggested that this question should be deferred until after the Celebrations, and then allow it to grow out of the Coronation Parade.

The Treasurer reported that already two donations had been received, and Mr.W.H.Bream intimated that the Cricket Club had offered their support.

H.H.Rumsey

Sept. 17th 1936.

A GENERAL COMMITTEE meeting was held in the Hall on September 17th.

The Chairman (Canon Rumsey) read apologies for non-attendance from Mrs. C. Farnham and Mr. F. Facer.

MINUTES: The Minutes of the Public Meeting and the first General Committee meeting were read and confirmed.

BAND FOR CORONATION DAY: Letters were read from Sibley Imperial and Thornton Bands. The former were now engaged and the latter tendered a price of £20, with tea and expenses. As this price was considered rather prohibitive, it was decided to invite the Leicester Midland Red Bus Band to quote. After much discussion, power was given to the Chairman and Secretaries to accept any price under £20, inclusive of tea and expenses.

SUB-COMMITTEES were then formed as follows:-

TEAS ON CORONATION DAY: Decided that all school children and old people (roughly 470) should be provided with tea, and that it should all be served in one place, it being left to the ladies Refreshment Committee to decide whether to hire a marquee, or to use the Village Hall.

A suggestion was made that a Programme Committee should be appointed. Decided however to make suggestions for the days'

programme of events from the General Committee, these to be dealt with by the appropriate committees.

The following suggestions were made:-

In the morning - United Service, followed by presentation of Souvenirs.

In the afternoon:- Fancy Dress Parade, Sports, Teas and Fireworks at night.

It was pointed out that this programme did not provide for those over school age, and also left a blank between the teas and fireworks. Mr. P.K. Bream pointed out that a full-day Cricket Match was being arranged, the whole proceeds to be devoted to the cause. Other suggestions were made, however, and finally referred to the Sports Committee for their attention. These suggestions included :- Skittles, Beauty Competition, Ankle Competition, Concert Party, Dance at the Village Hall.

28th Sept. 1926.

The First meeting of the Coronation Finance Committee was held on September 28th 1926.

Mr. W.H. Bream was unanimously elected Chairman.

This meeting was called to discuss ways and means of raising the £250 already decided upon to meet the expenses of the Celebrations of Coronation Day, and later to provide a permanent memorial.

Canon Rumsey commented that it would be unfair to ask for subscriptions until it was decided what form the permanent memorial would take. It was resolved therefore that the next General Committee meeting in November should be asked to decide this question.

Miss V.K. Young intimated that she was prepared to ask Mr. J.A. Hartopp to allow the profits from the Whist Drives held at the Manor House to be devoted to the funds. This offer was accepted with thanks.

Resolved that the Parish Council be asked to devote the proceeds of a certain Rate to the funds.

After further discussion it was resolved that the scheme for raising the necessary amount be divided up into three sections :-

- (1) By entertainments.
- (2) By House-to-house collection.
- (3) By Rate (if the Council agree)

With regard to the second method - house-to-house collection - it was recommended that the people should be circularised. Capt. Philip offered to draft out this circular in the shape of a letter of appeal and to reproduce enough copies for every house, roughly 800. This was accepted with thanks. Suggested that the village be split up into districts, one person to be responsible for the issue of leaflets and the collection of subscriptions in each district. Each collector to arrange the method of collection, either in bulk or in small weekly subscriptions, according to the wishes of the people. Also recommended that a differently worded letter of appeal be sent to the more influential residents of the village, these not to be included in the collectors lists.

A further suggestion to raise money, was to place collection boxes in Public-houses and Shops.

Resolved :-

"That a banking account be opened at the Westminster Bank, Loughborough, and that it be called 'Quern Coronation Fund'. Cheques to be signed by Mr. W.H. Bream (Chairman of Finance Committee), Mr. T.C. Dexter (Joint Secretary) and Mr. T.W. Shenton (Treasurer)

should be obtained from local tradespeople, the approximate
cost to be ascertained and then apply to the Finance Committee
for the amount.

Decided that all teas, that is for both old people
and children should consist of the same kind of food.

A preliminary suggestion to cater for the children

be issued to the children beforehand.

The Committee were informed that the Whist Tables & Crockery at the Adult School could be borrowed free of charge, and those at the Young Mens' Institute could be hired at half price. viz. DANCE. Mr. F. Facer pointed out that the time allowed for dancing was rather short and Mr. Adcock suggested that the Whist Drive should be shortened to twenty hands instead of twenty four. It was decided however that the M.C. should make an announcement to this effect before the commencement of the Whist Drive to test the feeling of those present.

Mr. Dexter stated that no charge would be made for the hire of the Hall on that date and informed the meeting that Mrs. Toller had kindly undertaken to present the prizes.

It was also decided to hold a raffle during the evening. Mrs. Bumpus had been offered the choice of two prizes for this and it was agreed to accept same. Mr. Bailey kindly offered to take charge of the raffle.

MINUTES: The Minutes of the last meeting were read passed and signed.

Arising therefrom the Secretary read correspondence from the Midland Red Band intimating that the Company had agreed to release the men from duty on Coronation Day. They would therefore be able to accept the engagement at Quorn and asked what we would be prepared to pay for their services.

The secretary stated that the Band were at the present time in Quorn and suggested that someone should be appointed from the Meeting to interview them and report back at once. Mr. F. K. Bream offered his services. As the Band asked for our terms, it was agreed that Mr. Bream be authorised to offer £15, if not other sum was suggested or asked for by the Band.

REFRESHMENTS CTEE: A discussion on general arrangements for Tea on Coronation Day had taken place and the approval of the General Committee was sought on the following points:- (1) That Teas should be provided in the Village Hall instead of a marquee on the ground. (2) That children should be provided for at the Village Hall and that if possible the Church Room should be booked for tea for the old people, such an arrangement it was felt would give greater comfort to the older section and would make the work of the helpers easier. Both these suggestions were adopted.

for Procession & Fancy Dress Parade had been drawn up. These were submitted and approved.

He pointed out that the Finance Ctee would like to know definitely so that they could state in the appeal for funds what the permanent memorial would be. The suggestions made at the 1st Public Meeting were read out. After much discussion the following resolution was adopted :- "That this Meeting approves the idea of a permanent memorial or commemoration of the Coronation but defers any recommendation as to the form it shall take until the exact available balance is known"

SOUVENIRS FOR CHILDREN: It was reported that various of medals, mugs etc had been received and also a specimen book dealing with the life of the King. MINUTES: The Minutes of the last meeting were read passed and signed.

PERMANENT COMMEMORATION: Capt. Capt. Philip pointed out that the Finance Committee had requested that a decision be arrived at so that the object might be stated in the letters of appeal to be sent out. As the request had not been met, Capt. Philip moved "That the request of the Committee at its last meeting for a decision as to the form the permanent commemoration should take be referred back to the General Committee as it was felt that it would have considerable influence on the appeal of the Finance Committee for Funds" This was seconded by Mr. Shenton and unanimously agreed to.

APPEAL FOR FUNDS: Letters drafted by Capt. Philip as promised at the last meeting, to be sent to householders as an appeal for funds were submitted and heartily approved, and a suggestion that small envelopes marked "Quorn Coronation Celebrations" "Donation" was unanimously adopted, a local resident having offered to provide the necessary envelopes. It was resolved that these be sent out in the week commencing Feb. 14th and that collection of the envelopes be made on or about March 6th. As some of the letters would be sent out addressed to individual householders it was agreed that all such letters should be signed by the Chairman of the General Committee or if owing to indisposition he was unable to do so, by the Chairman of the Finance Committee Mr. W.H. Mr. Bream proposed and Mr. Facer seconded that Mr. Keith-Thomson be elected to the Chair. This was carried unanimously.

Mr. Keith-Thomson thereupon took the Chair, and thanked the meeting for his election.

MINUTES: The Minutes of the last General Meeting were read passed and signed.

Mr. Dexter reported that he had finally clinched the engagement of the Midland Red Bus Band, having received their terms in writing, and having written acceptance. He also reported that the Application of the Finance Committee for grant of rate had been placed before the Council and in due course before a Parish Meeting. The result was that a rate had been granted.

CHILDRENS' SOUVENIRS: The Chairman reported that Official Books of the Coronation would be published at the rate of 1/- each, less discount for quantity. As it was already decided that books should be given, he asked for permission for the order to be given when the actual cost and other details are to hand. After discussion it was resolved to do this.

COMMITTEE REPORTS: Committees were reported upon as follows:-

ENTERTAINMENTS: The last Whist Drive and Dance had made a profit of roughly £17. It was proposed to hold another on March 3rd, also a Variety Concert at a later date. Also Messrs. Bailey Bros., having been rather unfortunate in the choice of the last Dance given to the Funds, had offered another one - Jan. 30th.

FINANCE: This report contained a request that the General Committee should reconsider the question of the permanent commemoration as it would be advisable to be able to state on the appeal to be sent out exactly what form this would take. Capt. Philip finally moved that any money left over after the Day's Celebrations be devoted to the improvement of Stafford Orchard. This was seconded by Mr. Shenton,

and supported by Mr. Stirling. Carried unanimously.

The Chairman then read the letter of appeal as prepared by Capt. Philip. This was approved, with the addition of the form of the permanent commemoration being stated. A vote of thanks to Capt. Philip for the preparation and printing of these letters was passed, it being stated that Capt. COMMITTEE REPORTS: These were as follows:-

PROCESSION COMMITTEE: Mr.Emerson reported on the arrangements made for the Parade and also that as one feature of it would be the Beauty Queen and attendants arrangement had been made for a suitable conveyance which would require appropriate decoration and the Ctee asked for an allocation of 30/- to cover cost of same. Agreed that this sum be allocated and the report was approved.

REFRESHMENTS CTEE: Particulars were given as to estimated numbers for Children and Old People's Teas. Arrangement for Tables etc. Mr.Fewkes having kindly promised to attend to setting up of necessary tables at the village Hall.

SPORTS CTEE: Mr.D.Stirling reported on the Sports programme for the day, and also that Wright's Carnival Band had offered their services for an hour's display on the Stafford Orchard in the evening if the Committee would undertake to arrange and defray the cost of conveyance from and to Loughborough to enable the Band to fulfil an engagement there. The Committee had made tentative arrangements for this to be done at a cost of 30/- and was of the opinion that this could be met out of the £20 allocated for the purchase of Prizes. Sanction of the General Committee to be asked. This was agreed to and the report adopted.

ENTERTAINMENTS CTEE: Mr.Prevoost reported on the proceeds of the 2nd Whist Drive and Dance which had been very successful and reminded the company of the Concert arranged for April 4th.

TREASURER'S REPORT: Mr.Shenton reported that income to date amounted to £66. 1. 2. and the estimated expenditure for the whole of the Celebrations amounted to £115. 15. 0. As the proceeds of the 1d. Rate would be approximately £60 and further additions to the funds could be anticipated it was felt that the position as far as the day's celebrations was concerned was satisfactory.

CHEQUE FROM PARISH COUNCIL: The Secretary reported that the Parish Council found itself with the sum of £17. 7.10d.

being balance of the money handed over to defray the cost of Jubilee Seats. While the Council was of the opinion that the sum was required to meet the cost of the Special seat near the War Memorial enquiries addressed to the supplying firm had resulted in an assurance that the Account was settled, thus leaving the Council with the balance in hand as stated. As the Council had no power to use the money in any way the opinion of the Auditor had been sought and he had ruled that it should be handed over to the existing Coronation Celebrations Committee, and a cheque for the amount would be handed over.

Such a pleasant surprise was received with acclamation.

UNITED SERVICE ON CORONATION DAY: The Secretary reported that he had an interview with the Vicar to decide the most suitable time for this service. It had been decided that the Committee should fix the time, the Vicar and Rev. Attwood agreeing to fit in with the time fixed. Decided to hold the service at 9 a.m.

EXECUTIVE COMMITTEE: The Chairman called attention to the fact that as we get nearer the Coronation Day there may many matters arise that call for immediate attention, and that it would not always be possible to call together the full Committee. He therefore moved that a small Executive Committee be formed with powers to act and suggested that such Committee be composed of the Chairman, Secretaries of Committees, Chairmen of Committees, General Secretary and Treasurer. The proposition was seconded and supported and carried unanimously.

FIREWORKS: Discussion as to the amount to be spent on these resulted in a proposition that the £20 estimated by the Finance Committee be spent, and an Amendment that £15.15.0 be spent. The Amendment was carried.

DECORATIONS: Suggested that suitable decorations be made on the Station Road side of Stafford Orchard and in the rooms where teas are being served. Resolved that the sum of £4. 5. 0. be allocated.

CHILDREN'S SOUVENIRS: The Chairman reported that the book of the Coronation Programme was not felt to be suitable and other specimens had been obtained which were better suited for Children's Souvenirs. Resolved that the selection and ordering of same be left to the Executive Committee.

DANCE ON CORONATION NIGHT: The question was asked as to whether it would be free and open to all comers, and it was pointed out that a previous meeting had decided such should be the case. Considerable discussion ensued as to the control and arrangement of it, the feeling in some quarters being that it might possibly be uncomfortably crowded and that undesirable people might come in. Resolved to ask the Entertainment Committee to undertake management and recommend that they make arrangements for some one to be in attendance to exercise control.

SEATING ACCOMODATION ON STAFFORD ORCHARD: The need for some seating accomodation was stressed. It was resolved that the Sports Committee be asked to make necessary arrangements.

The Balance Sheet was presented by the Treasurer Mr Shenton and showed Receipts amounting £160-10-4 and Expenditure £135-12-11 leaving a Balance in hand of £24-17-5. to which would be added £60-0-0, the product of a 1st Rate authorised by the Parish Meeting thus making a final Balance of £84-17-5.

The Balance Sheet was adopted and thanks accorded to Mr Shenton, Treasurer and Messrs J. B. White and F. W. Bailey, Auditors.

Tablets on Jubilee Seats

The Secretary drew attention to the fact that there was nothing fixed on the Seats that had been placed about the village to indicate that they were commemorative of the Jubilee of King George 5th and explained that the Parish Council had given the matter consideration some time ago but had deferred any action in the matter until it was known whether there would be a balance in hand after the Seats were paid for. As the Balance in hand amounting over £17-0-0 had been handed over to the Coronation Committee he, the Secretary, suggested that a part of it be used to purchase a suitable Tablets or Tablets to fix on the Seats.

As the suggestion met with general approval a proposition was submitted by Mr W. H. Breen and Seconded by Mr J. Field that one Tablet suitable inscribed be fixed

on the Jubilee Seat near the War Memorial.
An amendment that 2 Tablets be fixed on each of the Seat
was moved and seconded and on being put to the meeting
this was carried.

Minutes

The minutes of the last meeting were read, confirmed and signed.

Agreed that the matter be left in the hands of the appointed Sub-committee for completion.

Trees on Stafford Orchard

The Secretary reported that the Parish Council had appointed two members to enquire the cost of the guards that had been offered and if the price was suitable to make the purchase and the Council would arrange for the necessary fixing.

Suggestions for Stafford Orchard Improvements

The Secretary reported that the only suggestions he had received were that if further Trees were planted some Fruit Trees and other Flowering Trees should be included. The suggestion was noted and the Chairman appealed for further suggestions for consideration.

Mr Green suggested that as it was laid down in the Deed of Conveyance that suitable Entrance Gates should be placed on the Station Road and School Lane sides of the ground we should undertake that work on the Station Road side.

A discussion ensued during which the following points were brought out. First that the duty of providing the gates was laid upon the Urban District Council when it accepted the ground and in view of that the duty devolved upon the Parish Council as successor to the Urban District Council.

Second that if Entrance Gates were fixed there should be something on the ground worthy of the entrance.

Arising out of this second point a suggestion was made that a Sand Pit be constructed for the use of young children.

The Secretary suggested that as a beginning for a general improvement the Station Road side receive attention, taking out a level 3 feet wide inside the railings and preparing it for planting a Privet Hedge. levelling and suitable banking up along the whole length with the necessary provision for the entrance in a central position and making the Footpath in a direct line from the Handgate across to the one on School Lane side.

It was ultimately resolved that a further meeting of the Committee be called when provisional estimates might be submitted and a decision arrived at and that after the Committee Meeting a Public Meeting be held at which a Statement of Accounts should be presented and particulars of the Improvement Scheme given.
