CONDITIONS OF SALE.

Terms:—Cash Before Removal.

- I.—The highest bidder to be the purchaser; but should any dispute arise between two or more bidders regarding the biddings, the same shall be determined by the Auctioneer, who shall also have the right of rejecting any bidding or of regulating its amount, and of bidding for, withdrawing, consolidating, or dividing any Lots, and no person shall retract after it has been accepted.
- II.—All Lots shall, immediately on the fall of the hammer, be at the sole risk and expense of their respective purchasers, *who shall give in their name and place of business or abode, and pay down in cash a deposit of 25 per cent., or such further sum as the Auctioneer may demand. Cheques will not be accepted unless approved.*
- III.—The buyers shall remove their Lots at the close of **each day's Sale**, at their own expense, but prior to such removal the whole amount of their purchase money must be paid to the Auctioneer, or the person he appoints to receive the same, and the deposit previously paid by any purchaser shall be applicable to all or any of his or her Lots, and **no Lots must be removed during the Sale.**
- IV.—No purchaser shall have the right to avail himself of any set-off or other plea for non-payment of his purchase-money, against the Auctioneer or his principals, but he shall be liable to the Auctioneer for any unpaid purchase-money, whether the Lots bought have been removed or not.
- V.—The Auctioneer will not hold himself responsible for any faults or errors of any description, nor for any loss occasioned by fire, accident, or otherwise, nor for any mis-statement of weight, count, or measurement, and as the quantities and particulars have been carefully ascertained, the purchasers must satisfy themselves concerning all Lots previous to the Sale, as no deductions will be afterwards made for any fault or error in describing the same in the catalogue, nor any allowance made for any deficiency.
- VI.—On no account whatever will the Auctioneer transfer sales between one purchaser and another, either during or after the Sale.
- VII.—The purchasers shall be answerable for any damage occasioned to any adjoining or other Lot, by the removal of their respective Lots, or to the premises, and shall repair the same to the satisfaction of the vendor, before the removal of their Lots from the premises.
- VIII.—On failure of compliance with any of the above Conditions, the money deposited in part payment shall absolutely be forfeited to the Vendor. All Lots remaining uncleared after the time specified for removing the same, may, with or without notice, be re-sold, either by public auction or private contract, at the option of the Vendor, and the deficiency (if any) together with all expenses of removal, commission, warehousing, rent, and other charges attending such re-sale, shall be made good by the defaulter at this present sale, and be recoverable as and for liquidated damages, but without prejudice to the Vendor's right of enforcing the contract entered into by the purchaser having bid under the foregoing Conditions, and the entry of the Clerk in the Sale Book, verified by the Auctioneer, shall be deemed full and sufficient evidence of such contract, and binding alike upon Vendor and Purchaser.
